

Cornwall Terrace

Cornwall Terrace is a magnificent Grade I listed Regency terrace featuring seven ambassadorial residences and eight Mews houses. Overlooking the lake in Regent's Park, these exceptional properties required a handover presentation of unparalleled quality and craftsmanship.

Classic Folios designed and created hand-made case sets for purchasers comprising three parts; a) rigid case to hold personalised property manual, quick reference folio and key box, b) ancillary floor box and c) soft-sided Mews case for two matching binders. Manufactured in a smooth cream, high specification material, each case features contrasting purple bookcloth lining, and stitching, tuck lock closures and foil blocked Cornwall Terrace Crest.

"We love love love the boxes they are just what we wanted. Thank you to your team for all the hard work!"

"Tim, can I reiterate what Claire has said as well. The boxes are truly AMAZING and more than I imagined. Well done to you and your team"
